Conclusion

Under title 18 United States Crimes for lack of Jurisdiction to Prosecute, Bond V. United States: the Supreme Court rule that Bond had "Standing to challenge a federal statute on grounds that the measure interferes with the powers reserved to states "Pg 3-14. Anything in repugnance to the Constitution is invalid or unlawful. Without the Validity of title 18 U.S.C 3231 a federal court must revert to powers of the federal courts back to the States. The Bond ruling provides standing for anyone to challenge it U.S.C Section 3231 and any crimes that could have been, tried by the state where you could have received less time (in many cases the state decided not to prosecute at all. See U.S V. Sharpnack, 355 US 286 (1957). Under the Fair Warning Doctrine, to prosecute someone under a prior statute a person must be given warning under that statute. Therefore, no possible prosecution exist under title 21, title 26, or under any title 18 charge other than those listed in the 1909 act but prior notice is required. Petitioner Tevin Damyron Brown had a state charge that was dismissed, and about 6 to 8 months later- the Federal Government picked up my charge from the state and charged petitioner with a Federal charge under title 18 U.S.C 922 (g) (1) and title 18 U. S.C. 924 (a) (2) without giving Petitioner Tevin Damyron Brown Fair Warning Doctrine Notice, before prosecuting Petitioner Tevin Damyron Brown under a prior statute. Title 18 U.S.C 922 (g) (1) and title 18 U. S.C. 924 (a) (2) repugnance to the Constitution and is invalid or unlawful and it lacks Subject Matter Jurisdiction to prosecute Petitioner Tevin Damyron Brown under any statute without a fair Warning Doctrine Notice.

WHEREFORE Petitioner Tevin Damyron Brown must be granted Affidavit of Fact Habeas Corpus Relief for Declaration Actual Innocence from title 18 U.S.C 922 (g) (1) and title 18 U. S. C 924(a) (2) Felon in Possession of a Firearm, for lack of "Delegation of Authority Order" as Proof of Subject Matter Jurisdiction and Improper Venue, Lack of Probable cause, Lack of Arrest Warrant, Complaint, Affidavit of Fact signed by an injured party under Penalty and Perjury, signed certified by a judge, Lack of Fair

Warning Doctrine Notice and lack of U.S DISTRICT COURT JUDGE NANNETTA A. BAKER and U.S ASSISTANT ATTORNEY HAUMAN WADALA WALA #65252MO CERTIFIED COPY OF THEIR OATH OF OFFICE and BOND. Petitioner Tevin Damyron Brown must be granted his Federal criminal charges dismissed and criminal record to be expunged, and for the UNITED STATES OF AMERICA to grant Twenty Five Hundred dollars for legal and court fees to Power of Attorney Ricardo Elliott.

AFFIDAVIT OF FACT TO DISMISS FOR LACK OF SUBJECT MATTER JURISDICTION AND IMPROPER
VENUE, AND VOID - FOR- VAGUENESS DOCTRINE

I am petitioner Tevin Damyron Brown before this court by special appearance without waving
any Rights Remedies or Defenses, Statutory or Procedural.

Pursuant to 41 Rule. Petitioner hereby moves the court to dismiss Respondents Complaint with
prejudice. The bases for this Affidavit of Fact are set forth in Affidavit of Fact Habeas Corpus
Declaration Actual Innocence and accompanying Memorandum. Tevin Damyron Brown had a

city state case that was dismissed and the Federal Government picked up petitioner state case and tried me under Federal statute title 18 U.S.C. 922 (g) (1) and title 18 U. S. C. 924 (a) (2) felon passion of a firearm. The Federal Government never sent Petitioner Tevin Damyron Brown a fair Warning Doctrine Notice concerning title 18 U. S. C. 922 (g) (1) and title 18 U. S. C. 924 (a) (2), so the federal courts have no Subject Matter Jurisdiction and Venue over petitioner Tevin Damyron Brown. Petitioner Tevin Damyron Brown Request and Demand that this case be dismissed and expunged for Lack of "Delegation of Authority Order" as proof of Subject Matter Jurisdiction and Venue as required by law per Article III, section 1 of the United States Constitution. Under the Fair Warning Doctrine Notice to prosecute a person under a statute, you must be giving a warning under that statute. The Federal Government lacked subject matter jurisdiction, because petitioner was never warned under title 18 U.S.C. (g) (1) and title 18 U. S. C. 924 (a) (2) So, title 18 U.S.C. (g) (1) and title 18 U. S. C. 924 (a) (2) violates petitioner Tevin Damyron Brwon due process clauses of the Fifth and Fourteenth Amendments of the U.S Constitution and its void for Vagueness. The Federal Government lacked improper Venue, because petitioner Tevin Damyron Brown state charge was dismissed and there's nothing on the court records that petitioner Tevin Damyron Brown committed a crime on federal property. The Supreme Court Rule June 16, 2011. In Bond V. United States: No. 09-1227, that Bond had standing to challenge a federal statute on grounds that the measure interferes with the powers reserved to "state" pg. 3-14 "Anything in repugnance to the Constitution is invalid or unlawful.

WHEREFOR Petitioner Tevin Damyron Brown Request and Demand that his Affidavit of Fact Habeas Corpus Declaration Actual Innocence relief must be granted for lack of Fair Warning Doctrine Notice, Lack of Delegation or Authority Order" as proof of Subject Matter Jurisdiction and Improper Venue. Petitioner Tevin Damyron Brown Requested and Demand to Dismiss Assistant Attorney HAUMAN WADALA WALA #65252MO criminal Complaint with prejudice expunge petitioner Tevin Damyron Brown Federal Criminal record, and grant Twenty Five Hundred dollars in legal fees to Ricardo Orlandis Elliott
